Motivo 250 Classic Marble Mosaic

Bathrooms, Wet Rooms & Showers

Ideal for use in all wet areas, all our panels have 'tongue & groove' joints for the perfect waterproof fit and are covered by a 5 year warranty.

Quick & Easy Installation

Water Resistant

Easy to Clean and Maintain

Digitally Printed with Realistic Decoration

Quick & Easy Installation

On average it is at least 50% faster and cheaper to install our wall and ceiling panels than it is traditional tiles, and our panels do not require specialist fitting as there is no need for grouting.

If walls are dry, clean and flat, then very little preparation is required before installation. Our panels can even be installed over existing tiles.

Trims and corners are available to compliment the range, completing the look and providing a professional finish.

*"Better – easy to clean and low maintenance.
Faster – quick and easy to install.
Cheaper – realistic natural effects on a budget."*

Fibo Wall Panel Collection

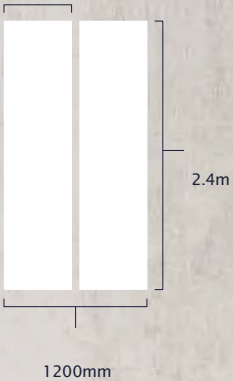

Distinctive contemporary Scandinavian styling is the hallmark of Fibo wall panels.

Tried and tested in Norway for almost 70 years, Fibo panels consist of a 7-layer birch core sandwiched between an enhanced moisture barrier and a high-pressure laminate facing, providing a smooth, strong surface that is quick to dry, easy to clean and simple to install.

The unique Aqualock ‘click-lock’ makes Fibo wall panels ideal for both renovation and new buildings and the joints virtually invisible.

Each pack contains:
2 panels
600mm*

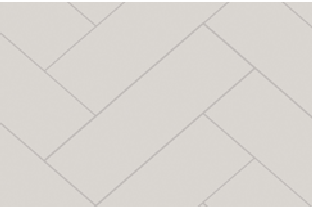

* Fibo Luxury panels are 300mm wide.
